State Department of Agriculture Seeks To Eliminate Diseased Poultry

ELIMINATION OF DISEASED POULTRY from Michigan is the aim of a program under way in the Michigan Department of Agriculture.

At present there are no Federal laws requiring inspection of poultry. Many of the chickens and turkeys eaten in Michigan come from Southern States where there are few quality controls.

To combat the problem, the agriculture department is offering Michigan poultry producers an inspection service which guarantees the consumer that the "chicken in the pot" is entirely wholesome and free from disease.

It is voluntary for the farmer and its success can only be insured if "Mrs. Housewife" demands the protection.

Any producer can avail himself of this service. He contacts the department of agriculture, which sets the machinery in motion. A veterinarian (usually local) is hired by the department to inspect the birds during processing for market.

The healthy poultry is tagged by the veterinarian with a special green and white metal clip provided by the Agriculture Department guaranteeing the wholesomeness of the produce. This clip identifies the inspected birds in the markets and grocery stores.

The producer's only cost is payment for the veterinarian's time. However, many poultry men are reluctant to add to their costs when they must compete with cheap, untagged poultry coming from Southern States.

The key to the success of the program is consumer "demand." If the consumers want a better product, they can have it. Unless they do, it is easier for the dealer to provide inferior poultry.

HERE'S A KNOTTY PROBLEM: design a hollow metal ball capable of being shot 300 miles through space, able to attain a speed of 18,000 miles per hour without disintegrating; strong enough to withstand the pressures of outer space, and light enough to carry delicate measuring equipment without rupture.

Brooks and Perkins, a Michigan metal fabricating company located in Detroit, is now working on this very problem. Last July the firm was awarded the government contract to manufacture the "satellite" sphere which the United States hopes to launch as its part in the international Geophysical year, beginning July, 1957.

Part of the ultimate success of the proposed earth satellite weighs on the shoulders of this Michigan company.

"Perfection is our primary problem," says Howard Perkins, president of the company. Personnel connected with the project can only estimate some of the difficulties that may arise when the launching is accomplished.

The sphere is made from magnesium, a metal known for its combined lightness and strength. The manufacturing process includes machining the hollow globe to a three-hundredths-of-an-inch thickness. The outside is then polished to perfection to minimize possible friction. Finally the globe is taken to the firm's Livonia plant where a gold plating is applied to deflect the sun's heat rays and keep the recording instruments cool.

Five spheres are already completed. Plans are now scheduled for a launching some time after January, 1958 from a Florida site.

And what does the firm of Brooks and Perkins think about the role they are playing in the history-making event? They couldn't be happier. As they point out, before the satellite contract came to Michigan, they were practically unknown in Detroit. The contract changed that and brought them a host of new friends.

IF MICHIGAN WERE SUDDELY CUT OFF from the rest of the country for food supplies how well would we eat?

Michigan's diversified agricultural economy provides a pleasant "buffer" of sustenance in answer to this question once each year at an annual "All-Michigan Dinner."

This unique banquet is sponsored by the Michigan Department of Agriculture and Michigan Press-Association every January for newsmen from all parts of the state. Purpose: to show that Michigan food products lead the way in quality and "tastefulness," that Michigan's farms produce many different kinds of crops. Only Michigan food is served, and from the variety presented, no one should expect more.

This year's menu included such tasty items as half of a "golden fryer," spiced tomato juice, fresh rhubarb pie and cheese, butternut peas and mushrooms, lettuce and cottage cheese, whipped potatoes, celery, carrot sticks and radishes.

Every bit was grown right in Michigan. Every year the menu is changed to include some of the many other products available.

Not only is a delicious dinner provided, but additional Michigan foods are introduced to the newsmen. Michigan beans, sausage, apples (fresh and spiced), pickles, salt cherries, onions and other products are demonstrated in Michigan's agricultural diversity.

Blue Cross Offers Ten Scholarships

Michigan Blue Cross announces today that for the seventh straight year it will award 10 nursing scholarships of \$500 each, with the winners to be chosen by the Michigan League for Nursing on a competitive basis.

Wm. S. McNary, executive vice-president of Blue Cross, said that the contest — open to all high school seniors and graduates in Michigan — will run from February 15th to March 31st.

Application blanks together with rules and instructions for entering the 1937 competition are available through high school principals. Future Nurses Clubs, approved schools of nursing, all Blue Cross offices and by writing directly to the Michigan League for Nursing, 567 Howland Building, Lansing 2.

The League, whose special scholarship campaign has determined the winners, is the state-wide recruitment and education agency of the nursing profession.

The committee will judge the contestants on the basis of the written application, scholastic grades, the report of the high school principal and achievement on a standard test, McNary explained.

He emphasized that to be eligible for first prize, the contestants must complete the application and return it to the League's scholarship committee by March 31st, the contest deadline.

Labor Laws...

It is agreed that the employment of children as it led back before and at the turn of the century is to be abhorred. Laws to stop employers from employing children 12 hours a day and seven days a week was a most forward looking step and was nearly 100 per cent of the land's citizens.

Every year, it seems that new twists are added to these laws until it is well nigh impossible for a teen-ager to get or hold a job which would put some money in his pocket. There is a case at present time in our own town where an organization provided work for youngsters at good pay and good working conditions. They have been approached by one of those enforcement men who have told them that the youths at certain age can only work after evening and that others may work only until 10 o'clock and much more nonsensical drivel.

In this case, at the present time, appears that it will be with automation taking over and the work for being eliminated.

One big problem in our country today is "juvenile delinquency". These crazy laws are aiding, abetting and giving comfort to this problem. Kids today just have enough to do. Cut them off work at 10 p. m. They still have enough zip left to go out and get into trouble. Let them work until 11 or 11:30 and they are home to go to bed. Take their chance of working in their pockets are empty and you've set up a burglar or thief unless his parents can shell out to him.

We said in the beginning, a great deal of the labor laws were forward looking... but some of

THE DARKEST NIGHT IN HISTORY

They are just the nightmares from some "do-gooders" brain. Let's give our children a chance to learn to work a little and learn how a dollar is come by and how fast it goes. — R. W. S.

Promote - Advertise - Sell...

Some time ago a group of retail executives was received by the President at the White House. The group's spokesman told the Chief Magistrate that retailing's increasing sales volume and rising capital expansion programs are a reflection of confidence in the sound growth of this country's economy. He added: "We sold — and will continue to sell — the products which manufacturers have produced and made it possible for them to continue their operations at peak levels."

This particular group consisted of representatives of retail fields other than foods. The food retailers, chain and independent, are doing exactly the same thing on behalf of the country's farmers, processors and others.

This brings up a point we are apt to overlook. We watch the industrial production figures, in order to see how American enterprise and the nation fare. But the status of retailing is every bit as important. No producer could produce for long without a sufficient number of buyers of his wares. If the goods didn't move he'd have no choice but to shut down. Retailing takes the goods and moves them into the channels of consumption — and then the orders pour into the factories.

Finally, competition is wide open in retailing — and that means that every retailer must be on his toes every business day of the year. He can't just wait for customers to come in — he must continually promote, advertise, and sell.

Interesting Items of News Gathered From the Files of the Avalanche of 23 Years Ago.

February 15, 1934

With forty-five degrees below zero Grayling's weather man claims that that was the coldest he recorded here for more than a quarter of a century. Friday morning, February 9th, the government thermometer at Grayling Fish Hatchery showed that during the early morning hours the temperature had reached that point. On Thursday morning, Feb. 8th, the low temperature was 38 below, and the high at noon was 10 below. The sun was bright and clear and there was little or no wind stirring. Friday morning the record was 45 below, and the highest 2 above. Saturday, 15 below and 21 above. Sunday, 22 above and 32 above.

A large crowd enjoyed the activities at the Winter Sports Park last Saturday and Sunday, among whom were several from Roscommon, West Branch, Kalkaska, and other surrounding towns, besides others from more remote parts. During the afternoon there

was a good hockey match play between the Grayling Pioneers and the Alpena squad, but the latter took the Pioneers into camp to the tune of 8 to 1. The Pioneers have played four games. The first game was taken from C. C. Co. 8-4, score 9 to 1. Second game was from Petoskey, 3-4-2. The third game was a return match with Petoskey. They were re-revenged by a score of 8 to 0. The lineup for Grayling Pioneers, Schmeier 1 goal; Frahm, Durkoth; Helson; Shupinsky; Utick; Matt; Brunson; Cetnar; Barber; Cameron; goalie.

To express it more or less naturally, Grayling High School's victory ship failed to make port last Friday night. The score for the Kalkaska basketball team was 25-15. What Grayling salvaged from the affair was a win for the Reserves, 14-9.

Mrs. Lars Rasmussen, who has been quite sick at her home, is feeling a little better.

Miss Veronica Lovely and her roommate Miss Sally Lynch at Central State Teachers College, spent the weekend at the home of her parents, Mr. and Mrs. Peter Lovely, and enjoyed the winter sports.

of the girls as guests. The two tables had for their centerpieces low bowls of sweet peas, and the decorations were carried out in the St. Valentine motif and had been made by the girls in the class. The luncheon was served in the County Chamber of Commerce, and the food was very delicious.

Representatives from the Commerce met with a committee from Grayling American Legion Post Wednesday night to consider the matter of having a homecoming celebration in Grayling some time next summer. Estimates of the cost for putting on a homecoming program will be made and later there will be a mass meeting of business men and others interested held for further consideration of the matter. Every one seems enthusiastic for a homecoming and no doubt it will be arranged.

Grant Thompson is the new purchasing agent at the C. W. A. office in the place of Chris Jensen who was called back to his position at the M. C. freight office.

An alarm of fire last evening called out the fire department to the home of Joseph Smith, where it was discovered a chimney was burning out.

Miss Jean and John Michelson of Detroit spent the weekend here as guests of Miss Mary Gretchen Connine and Bill Joseph. Sunday night Mrs. Joseph entertained with an informal dinner. Other guests in-

cluded Fred and Tom Welsh and Mary Gretchen Connine. Mrs. T. P. Peterson gave a dinner party Monday evening for the pleasure of her daughter, Miss Virginia, who celebrated her eleventh birthday. Guests included in the party were: Mary Jane Joseph, Ruth Burrows, Natalie and Jerinne Peterson, Phyllis Hewitt, Virginia Scott, Corrine Burns, Junior McNamara, Robert Welsh, Esbern Olson and Robert Herbi-son.

In accordance with provisions of the state liquor laws, our village council at its regular meeting held Monday night, voted unanimously in favor of permitting liquor to be sold in the village by the glass. No applications for licenses had been filed. In the case that applications for retail liquor licenses are filed, the Council will be in position to approve or deny them, as desired.

Miss Hazel Hoffman, daughter of Mr. and Mrs. Albert Hoffman, and Leo Isenbauer, son of Mr. and Mrs. Len Isenbauer, were united in marriage Saturday evening. The ceremony was solemnized by Rev. H. J. Salmon at the parsonage and the couple were attended by Miss Mabel Isenbauer and William Hoffman. They will reside in Grayling and have the best wishes of many friends.

Of interest to their many friends will be the marriage of Miss Ellen Fedora Wolcott and Alva Frederick Stephan, that took place at the parsonage.

Come try the BIG BUY

(You can boss this Buick Special for little more than the price of a smaller car!)

ONE LOOK at that price figure and you'll know that — again in 1957 — if you can afford a new car you can afford a Buick.

And look what you get for so little extra money.

You get the most completely new Buick in years. Not just brand new in styling and brand new in body design.

But new in features that make this the dream car of the year to drive.

You get brand-new performance because the engine is literally new from the crankshaft up.

You get a brand-new instant response because we engineered brand-new torque into Variable Pitch Dynaflo.*

And to give you the new sure-footed safety of a lower center of gravity — we built a brand-new frame — which lowers the car, but keeps the headroom, legroom and footroom that a big car should have.

Fact is, there are more than 150 other chassis changes in this '57 Buick — waiting for you to try them. Do that soon — at your Buick dealer's.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

Manufacturer's Suggested Price — for this 2-Door SPECIAL 6-Passenger Sedan \$2595.83

(including Delivery and Handling Charges and Federal Excise Taxes)

Transportation charges, state and local taxes, accessories and optional equipment, including Dynaflo transmission, radio, heater and white sidewall tires, additional. Prices may vary with individual dealer pricing policies.

Laws to stop employers from employing children 12 hours a day and seven days a week was a most forward looking step and was taken by nearly 100 per cent of the land's citizens.

However each year, it seems that new twists are added to these laws until it is well nigh impossible for a teen ager to get or hold a job which would put spending money in his pocket. There is a case at present time in our own town where an organization has provided work for youngsters at good pay and good working conditions. They have been approached by one of those enforcement men who have told that the youths at certain age can only work on other evenings and that others may work only until 10 o'clock and much more nonsensical drivel.

In this case, at the present time, appears that it will be up with automation taking over and the work for being eliminated.

The one big problem in our country today is "juvenile delinquency". These crazy laws are aiding, abetting and giving comfort to this problem. Kids today just have enough to do. Cut them off work at 10 p. m. They still have enough zip left to go out and get into trouble. Let them work until 11 or 11:30 and they are going home to bed. Take their chance of working so their pockets are empty and you've set up a burglar or thief unless his parents can shell out to him.

As we said in the beginning, a great deal of the labor laws were forward looking... but some of

THE DARKEST NIGHT IN HISTORY

them are just the nightmares from some "do-gooders" brain. Let's give our children a chance to learn to work a little and learn how a dollar is come by and how fast it goes. — R. W. S.

Promote - Advertise - Sell...

Some time ago a group of retail executives was received by the President at the White House. The group's spokesman told the Chief Magistrate that retailing's increasing sales volume and rising capital expansion programs are a reflection of confidence in the sound growth of this country's economy. He added: "We sold — and will continue to sell — the products which manufacturers have produced and made it possible for them to continue their operations at peak levels."

This particular group consisted of representatives of retail fields other than foods. The food retailers, chain and independent, are doing exactly the same thing on behalf of the country's farmers, processors and others.

This brings up a point we are apt to overlook. We watch the industrial production figures, in order to see how American enterprise and the nation fare. But the status of retailing is every bit as important. No producer could produce for long without a sufficient number of buyers of his wares. If the goods didn't move he'd have no choice but to shut down. Retailing takes the goods and moves them into the channels of consumption — and then the orders pour into the factories.

Finally, competition is wide open in retailing — and that means that every retailer must be on his toes every business day of the year. He can't just wait for customers to come in — he must continually promote, advertise, and sell.

of the girls as guests. The two tables had for their centerpieces low bowls of sweet peas, and the decorations were carried out in the St. Valentine motif and had been made by the girls in the class. The luncheon was served Crawford County Chamber of Commerce in an exquisite manner and the food was very delicious.

Representatives from the Commerce met with a committee from Grayling American Legion Post Wednesday night to consider the matter of having a homecoming celebration in Grayling some time next summer. Estimates of the cost for putting on a homecoming program will be made and later there will be a mass meeting of business men and others interested held for further consideration of the matter. Every one seems enthusiastic for a homecoming and no doubt it will be arranged.

Guests included in the party were: Mary Jane Joseph, Ruth Burrows, Natalie and Jerine Peterson, Phyllis Hewitt, Virginia Scott, Corrine Burns, Junior McNamara, Robert Welsh, Esbern Olson and Robert Herblison.

In accordance with provisions of the state liquor laws, our village council at its regular meeting held Monday night, voted unanimously in favor of permitting liquor to be sold in the village by the glass. No applications for licenses had been filed. In the case that applications for retail liquor licenses are filed, the Council will be in position to approve or deny them, as desired.

Miss Hazel Hoffman, daughter of Mr. and Mrs. Albert Hoffman, and Leo Isenbauer, son of Mr. and Mrs. Len Isenbauer, were united in marriage Saturday evening. The ceremony was solemnized by Rev. H. J. With forty-five degrees below zero Grayling's weather man claims that that was the coldest on record here for more than a quarter of a century. Friday morning, February 9th, the government thermometer at Grayling-Fish Hatchery showed that during the early morning hours the temperature had reached that point. On Thursday—morning, Feb. 8th, the low temperature was 38 below, and the high at noon was 10 below. The sun was bright and clear and there was little or no wind stirring. Friday morning the record was 45 below, and the highest 2 above. Saturday, 15 below and 21 above. Sunday, 22 above and 32 above.

A large crowd enjoyed the activities at the Winter Sports Park last Saturday and Sunday, among whom were several from Roscommon, West Branch, Kalkaska, and other surrounding towns, besides others from more remote parts. During the afternoon there

was a good hockey match, play between the Grayling Pioneers and the Alpena squad, but the latter took the Pioneers into camp to the tune of 8 to 1. The Pioneers have played four games. The first game was taken from C. C. Co. 2-1. The second game was from Petoskey, 3 to 2. The third game was a return match with Petoskey. They were re-vengeful by a score of 8 to 0. The lineup for Grayling Pioneers, Schmeier, 1 goal; Frahm, Dur-both; Helson; Shupinsky; Ulick; Matt; Brunson; Cetnar; Barber; Cameron; goalie.

To express it more or less na- tically, Grayling High School's victory ship failed to make port last Friday night. The score for the Kalkaska basketball team was 25-15. What Grayling salvaged from the affair was a win for the Reserves, 14-9.

Come try
the **BIG BUY**
(You can boss this Buick Special
for little more than the price of a smaller car!)

ONE LOOK at that price figure and you'll know that—again in 1957—if you can afford a new car you can afford a Buick.

And look what you get for so little extra money.

You get the most completely new Buick in years. Not just brand new in styling and brand new in body design.

But new in features that make this the dream car of the year to drive.

You get brand-new performance because the engine is literally new from the crankshaft up.

You get a brand-new instant response because we engineered brand-new torque into Variable Pitch Dynaflo.*

And to give you the new sure-footed safety of a lower center of gravity—we built a brand-new frame—which lowers the car, but keeps the head-room, legroom and footroom that a big car should have.

Fact is, there are more than 150 other chassis changes in this '57 Buick—waiting for you to try them. Do that soon—at your Buick dealer's.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick build today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

LEGAL NOTICES

STATE OF MICHIGAN

The Probate Court for the County of Crawford

At a session of said Court, held at the Probate Office in the City of Grayling in said County, on the 11th day of February 1957.

Present, Honorable Beulah Neefke, Judge of Probate.

In the Matter of the Estate of James A. Sherman, Deceased.

Charles E. Moore having filed in said Court his petition, praying for license to sell the interest of said estate in certain real estate therein described.

It is Ordered, That the 11th day of March 1957, at 10 o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition, and that all persons interested in said estate appear before said Court, at said time and place, to show cause why a license to sell the interest of said estate in said real estate should not be granted.

It is Further Ordered, That the notice thereof be given by publication of a copy of this order once in each week for three weeks consecutively, previous to said day of hearing, in the Crawford County Avalanche, a newspaper printed and circulated in said County.

Beulah Neefke, Judge of Probate.

A true copy.

Notice of hearing on Petition to Absolutely Abandon, Discontinue and Vacate a part of Portage Lake Drive in the 1st Addition to Portage Lake Park, Grayling Township, Crawford County, Michigan.

NOTICE IS HEREBY GIVEN, that on the 8th day of February, 1957, a petition, signed by six owners of real estate located in the 1st addition to PORTAGE LAKE PARK, Grayling Township, Crawford County, Michigan, was filed with the Board of County Road Commissioners of said County, for the absolute abandonment, discontinuance and vacation of all that part of PORTAGE LAKE DRIVE extending from the intersection of said PORTAGE LAKE DRIVE with OAK PARK DRIVE to the intersection of said PORTAGE LAKE DRIVE with MICHIGAN BOULEVARD, with the following reasons stated in said petition:

1. Because the Flat of said 1st Addition to Portage Lake Park was made in 1901 and said portion of PORTAGE LAKE DRIVE extending from OAK PARK DRIVE to said MICHIGAN BOULEVARD has never been made into a public street.

2. Because the opening of said portion of PORTAGE LAKE DRIVE would serve no useful purpose and would not be a benefit to the public.

3. Because the opening of said portion of PORTAGE LAKE DRIVE would constitute a dangerous nuisance to the occupants of lots in the vicinity thereof.

4. Because no public funds have ever been expended on said portion of PORTAGE LAKE DRIVE and to open and improve the same would require a substantial amount of grading and filling and would involve the expending of large sums of public money which in the opinion of petitioners would not be justified.

5. Because to open said portion of PORTAGE LAKE DRIVE to the public would be a waste of public funds.

6. Because to open said portion of PORTAGE LAKE DRIVE to the public would be a waste of public funds.

7. Because to open said portion of PORTAGE LAKE DRIVE to the public would be a waste of public funds.

8. Because to open said portion of PORTAGE LAKE DRIVE to the public would be a waste of public funds.

9. Because to open said portion of PORTAGE LAKE DRIVE to the public would be a waste of public funds.

10. Because to open said portion of PORTAGE LAKE DRIVE to the public would be a waste of public funds.

11. Because to open said portion of PORTAGE LAKE DRIVE to the public would be a waste of public funds.

12. Because to open said portion of PORTAGE LAKE DRIVE to the public would be a waste of public funds.

13. Because to open said portion of PORTAGE LAKE DRIVE to the public would be a waste of public funds.

14. Because to open said portion of PORTAGE LAKE DRIVE to the public would be a waste of public funds.

involve the taking of private property which in the opinion of petitioners would not be justified.

6. Because there never has been nor is there now any actual need for the opening of said portion of PORTAGE LAKE DRIVE.

7. Because the absolute abandonment, discontinuance and vacation of said part of PORTAGE LAKE DRIVE would harm no one and would not cut off any existing access to Lake Margrethe, it being the intent of this petition that access over existing streets leading to said lake shall not be disturbed.

AND NOTICE IS HEREBY FURTHER GIVEN, that a hearing on said petition will be held before the Board of County Road Commissioners of said County at the office of said Board, 320 State St., Grayling, Michigan, on Friday the 1st day of March, 1957 at 10 o'clock in the forenoon, and that all persons interested in said matter may be heard at said time and place.

Find "Freedom" Balloon in Tree Near Lovells

While rabbit hunting between the Hi-Banks Lodge and Jake Stillwagon's store south of Lovells last Sunday, Homer King found a four-by-six foot clear plastic balloon lodged in a tree. Lett-ered on it in six-inch blue letters were the words "Crusade for Free-dom." Inside the balloon were three samples of materials such as are sent to countries behind the Iron Curtain in secret. These included: a leaflet, a postcard, one to Robert Hansen, Program and Activities Dept., Fraternal Order of Eagles, Milwaukee, Wis., and the other to J. D. Feeley, Aerie No. 532, Fraternal Order of Eagles, Calumet, Ill. The wording on both cards was similar, one being quoted below: "This balloon found by you is one of 2,000 released at St. Paul, Minn., by the Fraternal Order of Eagles for Freedom Campaign Committee at their 4th annual Crusade for Freedom Balloon Launching, observing Lincoln's birthday. It is symbolic of the balloons flown across the Iron Curtain to bring news of the free world to the people of enslaved nations. Will you help further our program by giving us the information below and returning this card? Found . . . Date . . . by whom . . ."

The balloon was taken by Mrs. King to the High School to be shown to the pupils on Monday, and will be on display at the American Legion Hall after Wednesday.

Accompanying Mr. King on the rabbit hunt were Cyril Heule and Jerry White.

Cub Scouts Organize

Cub Pack No. 34 of the Boy Scouts of America came into official being last Thursday evening when, under the direction of Mr. James Atkins of West Branch, a committee was set up by the Lovells Men's Club, the sponsoring organization, with Rev. R. C. Puffer as chairman. With Richard DuBois, Roy Milnes and Roger Kniff appointed to the committee some thirty boys were assigned to five dens with Mrs. Puffer, Mrs. Claude Halstead, Mrs. Ollie Janovick, Mrs. DuBois and Mrs. Robert Funk named as "Den Mothers." As soon as the five dens have been named, they will be added to the Pack Committee which is scheduled to have its first official meeting about the first of March. The Cubmaster was to be appointed at this week's meeting of the Men's Club.

Cubbing is the completely home centered program for boys 8-11 which precedes scouting. In this age of multiple-privileges drawing children away from the home and thereby weakening family influence and home-ties, cubbing is purposely planned to have the opposite effect. Dens are kept small, hooded play groups, meet in homes, under the supervision of Den Mothers and Den Dads. Each boy's individual achievements are carried on within the family and rewarded by his parents, and the monthly pack meetings are family affairs where parents, grandparents, brothers, sisters or whoever loves him, congregate to rejoice with the boy as he receives his awards, and applaud his efforts as he and his den-mates do their "stunts."

With the remaining weeks of February to get Dens organized, "Bobcat" requirements met and Pack records in order, Pack 34 will be ready by March 1, to embark on the official program which devotes the month of March to Indian Lore, a subject certain to appeal to all boys in that age-group, and one which presents a wealth of material for the first Pack Meeting about the last week in the month.

Lovells Notes

By Mrs. Clarence Stillwagon

Mr. and Mrs. Vern Hartman and the latter's mother, Maude Bremner left for Florida Monday morning expecting to stay for a couple months.

We were all sorry to learn of Mrs. Edith Spaulding's misfortune. A short time ago word came that she slipped and fell and fractured one of her legs. Hope she will be coming along fine. Mrs. Spaulding is spending the winter in Midland, her address is 316 George St., Midland, should anyone care to write her. Also word was received of Ward Hartman's accident. Home Extension Gp. Meets

Last Wednesday, Miss Anita Dean from the Home Economics Department of MSU gave a very interesting demonstration on "Baking Standards," at the Grayling township hall.

Miss Dean talked from the stand point of home baked goods, jams, jellies and pickles, as the homemakers would sell them to the public. She gave ways or judging if product is good enough to sell, ways of presenting it to the public and how to figure the cost. Miss Dean says "present a high quality merchandise with a home made flavor."

A good attendance of leaders, council members and interested homemakers was present.

Afterwards a short council meeting was held. Mrs. Johnson, county chairman appointed the following committees: Highway Safety chairman, Mrs. Earl Brown, and the Home Demonstration Club of Michigan are backing the highway safety program, along with other state organizations.

Civil Defense chairman, Mrs. Harry McEvers. The groups of this county hope to learn more about civil defense in the future.

The date for Achievement will be May 14th instead of May 1st, at the Maple Forest town hall. The arrangement committee, Maple Forest, Dinner Group, Program, Exhibit, Lake Margrethe, Hospitality, Penny Pinchers.

County dues are to be paid to Mrs. Sam Collier before March 1st.

Michigan Memorial Church News

A service on the theme of the evangelistic mission of the Christian church was (Michigan Memorial's) point of departure in the District-wide "Four Nights For God" home visitation program. In the evening Rev. R. L. Puffer, chairmaned a district meeting at Alpena, and at home the Rev. Mr. Donald Brady of the Congregational Church in Roscommon conducted a Communion Service and Prayer Vigil in further preparation for the home visitation program. The direction of the Commission on Evangelism and Membership, the men of the church will be going out two by two for the following four nights, calling in as many as possible of the homes of the community. This calling mission will end with a mass meeting at the church Thursday evening, with the Rev. Mr. Herbert Elford, pastor of the Mayville Methodist Church, bringing the message.

Mr. Puffer recently spent several days at Mayville, assisting Mr. Elford with the southern phase of the same district-wide program.

This being the season of the church year devoted to evangelism, the Sunday Morning Bible Class is engaged in studies in the book of Matthew dealing with this theme, and the Sunday Evening Class has started a study of the Letters of St. Paul, the greatest missionary the church has ever known.

The regular monthly meeting of the Methodist Men's Club was scheduled for Wednesday evening of this week, and every man was asked to bring one or more boys, this being the annual Father and Son Night. An important item of business to be taken care of at this meeting was the appointment of a Cubmaster for the newly organized Cub Scout Pack No. 34, a project of the Men's Club.

23 Years Ago

(Continued from Page Three)

Sonage of Michelson Memorial Church, Rev. H. J. Salmon officiated at the ceremony and the young couple were attended by Miss Marie Buck and Joseph Brady. The bride is the only daughter of Mr. and Mrs. Roy Wolcott and the groom the son of Mr. and Mrs. Henry Stephan, Sr., and they are at home to their friends in one of the cottages in the Stephan settlement on the Ausable. Best wishes and congratulations are extended by their friends.

Last Thursday night the Roscommon Ramblers defeated the Grayling Lumberjacks in a return game on their own floor carrying off the honors by a score of 49 to 35.

County Treasurer Ferguson calls attention to the payment of the head tax—\$2.00 per person of 21 years and over. This must be paid to either your township or county treasurer by March 1st. There is a heavy penalty for those who neglect to do so.

Mrs. Leo Garmon was the victim of a painful accident Sunday afternoon when she slipped and fell on the back doorstep at her home. She had the misfortune to break her ankle in three places, necessitating a trip to Mercy Hospital, where the injury was taken care of. She remained at the hospital until Monday night when she was removed to her home where she is getting along nicely.

Misses Berry, Fyvie, Nichols and McNeven entertained at a lovely Valentine party last evening at the home of Mrs. Holger Hanson. Hearts were played, Miss Ruth McNeven winning first prize and Miss Beatrice Freeman receiving congratulations. A delicious lunch was served by the hostess.

46 YEARS AGO
February 16, 1911

Otto Brown and his wife came up from their home at Bay City to spend Sunday with "Pa" Brown's family here.

Will Lauder entertained eight young men at supper Friday evening in honor of his 18th birthday. A general good time was had.

E. E. Hartwick, of Detroit, though ever welcomed here and recognized as one of our citizens, was elected president of the Michigan Retail Lumber Dealers' Association at their meeting last week in Bay City.

Two heavy freight trains, both double headers, met head-on at the north end of the Grayling yard Saturday night in a dense fog, and all four engines were disabled so they had to go to chop. Fortunately no one was injured in all four crews.

Born Feb. 11th to Mr. and Mrs. Holger Schmidt, a son and daughter. Holger says there can be no partiality in his house. My wife needs growing help in the house as much as I do on the railroad. If all husbands had the same judgment, the world would be better.

The person who published the marriage of Axel Christenson and Mabel Moon in last week's Avalanche, better take care and not have such lies printed in the county paper. If they do not care for their own good name, remember there are other who do. The notice referred to above was left on our desk in our absence, and published in good faith.

Married at the residence of Mr. and Mrs. Gus W. Key, aunt of the bride, February 14th, Miss Laura J. Munn and Emil Hanson, of this village, the Rev. James Ivy officiating. The home was beautifully arranged for the occasion and crowded with relatives and near friends of the contracting parties by whom they were showered with congratulations and good wishes.

Earl Dodge had the misfortune of losing one of his fingers while two or more fingers and his thumb were badly lacerated last Tuesday in the Douglas plant while knot-sawing shingles.

Pleased Twice Over...

You're pleased two ways with a repair job we do on your car. First, your pleased with the job itself... right in every detail. Second your pleased with the bill... always right, never more than elsewhere, generally less. Next time your car acts up you'd better bring it right up to our garage.

THE depth of your memory for a loved one demands a fitting tribute. Here you may provide such a tribute—no matter what you wish to spend. The facilities of our Home and the counsel of our staff are within the reach of all. We stand ready to serve you at all times.

Vikings

(continued from Page 1)

ketball in the final period netted the Vikings 19 points to the Blue Devils' 10 for the Grayling victory. In the final period, Dave Lowe back in the lineup after several weeks layoff due to a back injury, dropped in a pair of field goals with Bill Martin adding a two pointer and Tony Doremi three timely free throws. Bob Strong hit for ten points in the final quarter on three field goals and four foul shots.

Strong with 26 points on 11 field goals and 4 free throws paced the Vikings attack. Tony Doremi with 13 and Bill Martin with 10 also hit the double figures. Lowe with 6, and Aubrey Welch with 2 completed the Grayling scoring. Darwin Mason with 14 and Lonnie Campbell and John Burnison with 12 each led the Blue Devils. Gaylord lost the services of both Campbell and Burnison in the five personal foul route late in the game. Grayling scored 30 field goals and 19 out of 30 free throws. Gaylord made 20 field goals and collected on 15 of 19 free throws.

The Viking reserves lost both games last week. The little men triumphed 21 to 27 and the little Blue Devils triumphed 45 to 33. Tuesday night the Mancelona reserves took a 14 to 7 first period lead and outscored the Viking reserves in each period except the final which was a 7-7 tie. Gary Springs with 9 was high for Grayling with Jim Kessler hitting for 6. Oscar Horning 4, Dick MacLeod, Newt Allison and Curt Smith 2 each. Leon D'Amour and Jack Hull a foul shot each. Biehl and Collins with 10 each were high for the Mancelona reserves.

Friday night's game was almost a duplicate as the little Blue Devils took a 11 to 6 first period edge and outscored the Grayling reserves in the next two quarters. Grayling edged the Gaylord reserves 10 to 9 in the final canto. Don Leslie with 11 was high for Grayling with Horning adding 7. Allison and Kessler 5 each. Springs 3 and D'Amour 2. Bob Burnison with 11 was high for the Gaylord reserves.

At the half-time of both games

Friday night, the crowd was entertained by grade school basketball. The Grayling gym now boasts of a new horn on the timer's clock which is loud enough so another muddled affair, such as occurred at the Grayling-East Jordan game or at the Grayling-Roscommon game in the district tournament last year, is highly unlikely. The horn was a gift to the school by the Bear Archery Company.

Winter Sports

(Continued from Page 1)

Walter Haefli, ski instructor at Mt. Holly Ski Club at Bloomfield Hills, Mr. Haefli is a former Swiss ski champion.

The 1957 Miss Michigan Winter Snow Queen, Mary Lou Farkas and her court of 19 other Winter Queens were presented on a huge ice throne at 1 p. m. They followed the usual round of picture taking. Mrs. Kinnucan also presented her Elvis Presley pantomime act on two different occasions at the park on Sunday. The new Queen was presented with two pieces of luggage, a gift of Grayling Winter Sports. In June, Miss Farkas will enter the Miss Michigan contest in Muskegon which leads to the Miss America contest in Atlantic City. She will be entered by Grayling-Winter Sports.

A tired group of carnival committee people on Sunday evening said they felt the Carnival was a "significant success" despite the freezing rain of Friday night and the lack of sufficient snow. Many of the carnival heads are already talking about a bigger and better Carnival for 1958.

Park officials announced that this Thursday night's ski school will start off with a potluck dinner. Dinner will be at 6:30 p. m. sharp and those attending are asked to bring their own service and a dish to pass.

Huge blocks of ice were used to make the beautiful ice throne shown above at the Grayling Winter Sports park. Robert Yoder, (left) and Robert Carlson (right) of Grayling, are shown putting the finishing touches on the spectacular piece of ice sculpture that provided the colorful background for the coronation of the 1957 Michigan Winter Sports queen Sunday afternoon. The outdoor coronation was the concluding feature of the Grayling Winter Sports carnival. (Dr. Leonard Allison Photo.)

Senator Potter reports

... the latest news from Washington of special interest to Michigan

February 4, 1957

"Here you are son," the man smiled as he tossed a nickel on the stand and picked up his daily paper.

"Sorry, mister," the boy replied, "it's seven cents."

The man's smile faded. And with good reason, for the cost of newspapers everywhere is rising. It is happening in the big cities and spreading to the smaller communities. And as this occurs, it raises a very important question.

Are you, the newspaper reader, trapped in the meshes of a cartel? Is the small business man who must advertise to live — is the newspaper publisher himself — trapped in the same web?

The price of newspaper, which represents one-fourth to one-third of the cost of publishing a paper, has skyrocketed in the past few decades. Now comes a new increase of \$4 per ton, bringing newspaper costs to an all-time peak.

Advertisers once paid nominal rates for advertising. But now, rates have climbed steadily to a point where small business men find it difficult to advertise at all.

The publisher suffers, too. Back in 1946, newspaper cost \$67 per ton. Last year, it was \$130 per ton. Such increases are forcing many newspapers out of business, causing some advertisers to stop advertising, and making John Q. Citizen pay more for his daily paper.

Naturally, the cost of manufacturing these bulky "rolls of paper" has gone up during the past few years. But production costs are way out of line compared to selling prices.

For example, in 1946, it cost the stop next at Cannes, France, then Genoa and Napoli, Italy, and are to visit Gibraltar. Bob reports he is having a really fine time.

Superintendent of Grayling Schools Joseph Stripe attended a meeting in Lansing Wednesday of last week of the Association of School Administrators.

Before you buy your diamond, Mr. and Mrs. Floyd Davis left for Chicago last Saturday afternoon. They expect to spend about a week there. Mrs. Davis will do buying for the store while Mr. Davis will take a refresher course in diamond settings, diamond grading and ring sizing.

Mr. and Mrs. Raymond Trudgeon were in Pawmaw to visit Mrs. Trudgeon's brother Mr. and Mrs. William Savoye and family, and Lansing, to visit her cousin Mr. and Mrs. Dave Turpin, over the weekend.

Mr. and Mrs. Olie Williamson entertained with a birthday dinner for Ted Hoover Wednesday, February 6th. Instead of birthday cake what Ted wanted was lemon pie for dessert, and that's what he got with a candle on it leaves at each part. They will too.

Registration Notice

For Biennial Spring Election
April 1st, 1957

To the Qualified Electors of the Townships and the City of Grayling, Crawford County, State of Michigan

Notice is hereby given that in conformity with the Michigan Election Law we the undersigned township and city clerks will on any day, except Sunday and a legal holiday, the day of any regular or special election or primary election receive for registration the name of any legal voter in said township or city not already registered who may apply personally to the clerk of the township or city in which said voter may reside, for such registration. Provided, however, that the clerk of said township or city can receive no names for registration during the time intervening between the second Saturday before a regular, special or primary election and the day of such election.

The last day of General Registration does not apply to persons who voted under the Absent Voters Law.

Notice is hereby given that the clerks of said townships and city will be at the usual place for registration.

TO WHOM IT MAY CONCERN:

UNDER THE CORPORATE POWERS OF THE CHARTER OF THE CITY OF GRAYLING, THERE SHALL BE PUBLISHED NO MORE THAN THREE WEEKS NOR LESS THAN ONE WEEK, NOTICE OF THE COMING SPRING ELECTION FOR THE CITY OF GRAYLING.

THERE ARE TWO VACANCIES TO BE FILLED AT THIS SPRING ELECTION FOR CITY COUNCILMEN AND ONE VACANCY FOR CITY JUSTICE OF THE PEACE AND CITY CONSTABLE.

NOMINATING PETITIONS ARE AVAILABLE AT THE CITY CLERK'S OFFICE AND HAVE TO BE FILED NO LATER THAN 12:00 NOON, MARCH 2nd, 1957.

DATED: FEBRUARY 8, 1957.

than they did last year for the very same product. And in the end, the individual newspaper reader picks up the tab.

Incidentally, these price boosts always follow the same pattern. One newspaper manufacturer announces an increase and immediately the other producers follow suit with an identical price hike.

Is this a cartel fixing prices and restricting trade? It certainly looks that way and I've called for a Senate investigation.

Probes of this kind have occurred before in the newspaper industry in 1917, 1927, 1939, 1947 and 1951.

Last week, on the Senate floor, I traced the long history of indictments in the background of this latest price hike. They may take international cooperation to get to the bottom of this — for 75 to 80% of our newsprint comes from Canada — but we intend to see that the offenders are identified and prosecuted.

EDITOR'S NOTE: The newspaper prices given in this article are for roll print purchased in large quantities. The small newspaper which of necessity uses flat stock pays almost double this price per ton.
